

REMARKS

The Supplemental Notice of Allowability has been received and reviewed. The specification has been amended to correct an informality in the specification. Applicants present the following remarks.

Typographical Error

It appears that a typographical error or an inadvertent omission has occurred in the Supplemental Notice of Allowability (form PTOL-37). Under the heading "Conclusion" on page 3 of the Supplemental Notice of Allowability, the list of allowable claims includes claims 6 and 11 and the original Notice of Allowability indicated that claims 6 and 11 were allowed. (*See*, Form PTOL-37 with Notice of Allowability mailed February 6, 2004). However, on form PTOL-37 included with the Supplemental Notice of Allowability, claims 6 and 11 have been omitted. Thus, Applicants request that all of the claims, *i.e.*, 1, 3, 5, 6, 11, 13, 14, 73-80, 82-85, 97-102 and 105-107, indicated on page 3 of the Supplemental Notice of Allowability be specifically included in the patent.

Formal Drawings

In the Notice of Allowance and Fee(s) Due mailed February 6, 2004, Corrected Drawings were requested and a Notice of Draftsperson's Patent Drawing Review was indicated as being attached. Applicants did not receive a copy of the Draftsperson's Review. However, on January 30, 2003, applicants submitted a Transmittal of Formal Drawings and Applicants believe those drawings are in condition for publication.

Correction of Spelling of Inventor's Name

In an amendment filed January 30, 2003, applicants corrected a misspelling of the last name of the inventor Guus Hateboer. Attached is a copy of the declaration filed on November 6, 2000 evidencing the proper spelling of the last name of Guus Hateboer. Thus, please ensure the proper spelling of the last name of Guus Hateboer on the patent.

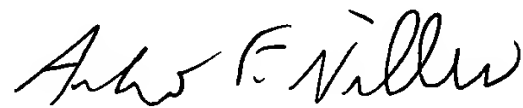

Assignee

Submitted herewith is a Change of Name of Assignee indicating that the name of the assignee, company name of IntroGene B.V., has been changed to Crucell Holland B.V.

CONCLUSION

Should any questions exist after consideration of the foregoing, the Office is kindly requested to contact the applicants' attorney at the address of telephone number given herein.

Respectfully submitted,

Andrew F. Nilles
